

HOW WE MEET THE NEEDS OF VICTIMS

Our Mission

Founded in 1981, S.H.A.R.E., Inc. is a local grassroots, non-profit organization in Morgan County providing services to domestic violence victims and their families.

We address the needs of victims through

- 24 hour crisis line response
- Emergency shelter & Transitional housing
- Individual advocacy & Support groups
- Children's program
- Court advocate
- Help with protective orders and victim compensation claims
- Safe Haven Project – Supervised Parenting Time and Safe Exchanges for Children
- Training for advocates and law enforcement agencies
- Information and referral to other agencies

Financial Summary Year Ended December 31, 2009

Financial Audit for the Year Ending December 2010 is available after May 2011

LETTER FROM THE EXECUTIVE DIRECTOR

2010 was another eventful year for S.H.A.R.E. As our program continues to grow so does our commitment to enhance, expand, or develop services for domestic violence victims throughout the 13th Judicial District. Using Rural VAWA and Byrne grant funds to assist the two smaller domestic violence programs in our district, S.H.A.R.E. has supplemented salaries for Outreach Advocates in Logan and Yuma Counties, provided funding for advertising and brochures, and sent domestic violence advocates, law enforcement officers, and our Municipal Court Judge to advanced trainings.

S.H.A.R.E. was pleased to co-sponsor the Olga Trujillo training held at Morgan Community College on November 16, 2010. Approximately 100 community members attended this free event. This interactive session examined the struggles criminal justice professionals face in handling domestic violence, sexual assault and child abuse cases, and explored efforts that can be undertaken to improve their ability to investigate these cases.

Love, Sex and Lies, a relationship survey, was just one of the many events sponsored by S.H.A.R.E. during October's Domestic Violence Month. Pizza was served to everyone who stopped by to complete a relationship survey and watch a film on dating violence. Lots of new connections were made with Morgan Community College students and staff. We were excited about this event and will continue to sponsor it annually.

Our annual Spares for SHARE bowling tournament was another success with close to two hundred individuals attend this event annually. S.H.A.R.E. raised over \$9000 for operational support of our shelter and outreach programs. Everyone had a great time, ate well, and enjoyed the silent auction and door prizes. Most importantly though, was the continued commitment support of S.H.A.R.E.'s efforts to end domestic violence.

Our success is due to the dedication of our Board, staff, volunteers, and donors. Their support of the women and children we serve and their commitment to ending domestic violence is untiring. Thank you all for your enthusiasm, patience, and financial support.

Jacque Morse

Our mission is to end domestic violence. No one deserves to be beaten.

2010 Service Summary	
Outreach & shelter services	286 victims
Individual & phone contacts	901

Nights of housing	629
Shelter client meals	1887
Prevention & education	500 students
Direct financial assistance	100 victims
Transitional housing	9 families
Volunteer hours	4600 hours

We provide services in English and Spanish.

Long Term Solutions

PREVENTION THROUGH "SAFE DATES" AND OTHER AWARENESS PROGRAMS FOR YOUTH AND ADULTS

S.H.A.R.E. has been involved in teen dating violence prevention for over twenty years. For the past five years staff has been presenting a school curriculum called "Safe Dates" in area schools. Safe Dates is designed to help teens recognize the difference between caring, supportive relationships and controlling, manipulative, or abusive dating relationships. This program is intended for male and female middle and high school students. The goal of presenting Safe Dates is to change adolescent dating violence norms, gender role norms, and improve conflict resolution skills for dating relationships. In addition, we feel that it provides resources for victims and perpetrators seeking help and improves peer intervention skills. In 2010 Safe Dates curriculum was provided to over 200 students.

Domestic Violence Awareness Month activities included "Turn the Town Purple" events on Main Street, public education on the local radio station, brown bag luncheon and film at Morgan Community College, and *Flowers on the Bridge*, a tribute to victims and survivors of domestic violence, with speakers and music at Rainbow Bridge.

Safe Haven Supervised Parenting Time & Safe Exchanges Program

The Safe Haven Supervised Parenting Program provides a comfortable, nurturing and secure environment for families and children to have supervised visits. Supervised exchanges, or "monitored exchanges" are supervision of the transfer of the child from one parent to the other. We provided 383 hours of supervised visitation and 56 safe exchanges for 22 families.
